1 From the Director of Agriculture
No Roc 828- Est- 263/34-35- dated 19/4/35-
Requests sanction for the allocation of sixteen Veterinary Inspectors referred to in his letter.

Received back from the C.R.B. on 15/1/36

Ord ✓ 1 Sixteen Veterinary Inspectors were confirmed in their respective permanent appointments in G.O.s. No D 101-3/C.V. 62-33-2 dated 7/7/34 and No D 7245-47/C.V. 56-36-5- dated 3/5/35, with effect from the dates of the above orders. It was also directed in the latter order that the starting pay of the above 16 Veterinary Inspectors in the revised grade of Rs 40-3-70 be regulated in accordance with the principle laid down in G.O.D 5-5-94-57 C.V. 53-34 dated 19/4/35. The principle that has been enunciated is that the Veterinary Inspectors are permitted to draw a salary of Rs 60/- P.M. each in the revised grade provided that they had been continuously holding the appointments on the minimum pay of Rs 60/- P.M. & from a date prior to 6/3/34 & that the only ground for reducing their pay to Rs 40/- is that they have been shifted from one Vacancy to another subsequent to 6/3/34. It is seen

from the Dir's letter d 19/11/35- (P.W.D.)
that all the sixteen Veterinary Inspectors were
holding appointments on Rs 60/- prior to
6/3/36. According to the above principle,
they are entitled to the starting pay of Rs 60/-
in the revised grade of Rs 50-5/2-90 (subsequently revised). R.

✓ The Dir further proposes to grant
one advance increment of Rs 5/- P.M. to the
first eight Veterinary Inspectors as they have
put in more than four years of service. 80
The date of their confirmation was 7/7/1932 AO
The period of their service upto this date
amounts to about one year and 6 months.
They were not be entitled to get, in the
usual Course, one increment of Rs 5/- (4% Rs 65/-)
on 7/7/1936. The principle enunciated in
G.O. No D 1300- C.V. 55-29-5 d 28/5/1930 B
was applicable only to the allocation of
Veterinary Inspectors referred to therein, upto
30/3/29. and not, generally, to all the
Veterinary Inspectors to be appointed and
confirmed subsequently. It seems
that the Veterinary Inspectors in question
that they may perhaps be not entitled
to an advance increment under this
principle which was applied to a particular

instance and not generally.

2) With regard to Serial No 3 of the statement in page 2 of the P.W.D., Dr. Narayanaswami Naidu has been appointed as Asst. Supdt, C.V.D., This is an additional post against a vacancy in the Veterinary Inspectors' Cadre. On this case the post held by Dr. Naidu as Veterinary Inspector (Serial No 3 in page 2 of the Dir's letter) may have to be kept vacant.

4 The points for consideration are —

(1) the grant of (1) a special pay of Rs 60/- in the revised grade of Rs 50-5/2-90 to each of the eighteen Veterinary Inspectors,

(2) an advance increment of Rs 5/- to each of the first eight Veterinary Inspectors,

(3) the keeping of the post of in serial No 3 (vide statement in page 2 of the P.W.D.) vacant against Dr Naidu's appointment as an additional Asst. Supdt.

Returned with compliments.

In view of the fact that the revisions of the scale of pay of the Veterinary Inspectors were both sanctioned subsequent to 6th March 1934 and the initial pay of the 16 Veterinary Inspectors was fixed by Government at Rs.60/- in the 1st revised scale sanctioned, there seems to be no objection to their pay being fixed at the same amount of Rs.60/- in the the Revised scale subsequently sanctioned.

The tenure of these Veterinary Inspectors previous

previous to their confirmation was 'acting' and in the case of officials holding no substantive appointments, acting service does not, according to article 76 H.S.R, count for increments. The Veterinary Inspectors will be entitled to draw in the usual course, an increment from 1-8-37 Viz. two years from the date of their transfer to the latest revised scale as per article 85 (a) H.S.R.

2. Mr. P.N.Narayanswamy Naidu, Assistant Superintendent has been ordered to be counted against one post of the Veterinary Inspector in G.O.No.D4595-26/CY 18-35-4 dated 27-1-36 and one post of Veterinary Inspectors has therefore to be kept unfilled.

3. Copy of the statement showing the pay and salary of the Veterinary Inspectors on 6-3-34 in the revised grade was forwarded to the General Secretary to Government in this office letter No.41 dated 30-8-35.

17 The details regarding the sixteen Vety Insprs are given in para 4 of the Govt letter dt 19.11.35. The first eight of them were confirmed in Govt. Or dt 7.7.34 and the remaining eight on 3.5.35. All of them were appointed as temporary Vety Insprs on different dates on a pay of Rs 60 p.m in the Old grade Rs 60-5-120-5-150 and are still drawing that pay. The question for decision is to fix their initial pay in the revised grade. The first revision was on 25.9.34 when the scale fixed was Rs 40-3-70. On the representation of these Vety Insprs the scale was further revised to Rs 50-5/2-90 in Govt. Or dt 25.9.35 1.8.35

The appointment on the minimum pay of Rs 60/- p.m. (in the 2nd grade) for a date prior to 6.3.24 and if the only ground for reducing their pay to the minimum of the revised grade is that they have been shifted from one vacancy to another (vide preamble of G.O. flagged Q) When the order was passed the revised grade was Rs 40-3-70 and the grade in which the initial pay is now to be fixed is Rs 50-5/2-90. revised scale may be apptd. This is agreed to by the Comptroller

The proposal of the Dir. to give an advance increment to the first eight hopes in view of their having already spent several years on Rs 60 is not agreed to by the Comptroller. There is however much to say in favour of the Dir's proposal. The hopes were all appointed to a much higher grade and did have hoped to go up to Rs 120 in the usual course. Their prospects are now lowered and after years of service they are where they started. What is proposed for them is not extravagant. The Dir's proposal may therefore be sanctd.

One place may be ordered to be kept vacant against the apptt of Mr Manuswami Naidu as already decided while apptg him as Asstt Supdt.

(21) The proposals for consideration are:-

(i) the interim revision sanctioned in September 1934 may be overlooked;

(ii) the initial pay may be fixed on the principle enunciated in G.O. dated 23rd May 1930.

(i) may be sanctioned in the circumstances explained in the notes of the Administrative Department.

Re: (ii) it is to be stated that these Veterinary Inspectors did not hold substantive appointments prior to confirmation and the service prior to confirmation does not count for increments under article 76 M.S.R. They can therefore get their next increment only 2 years after they were confirmed.

(22) According to the principles enunciated in the order of July 1934 the temporary service can be taken into account only if it were otherwise admissible under the M.S.R. and not in other cases. Deviation from the rules is not desirable and will create inconvenient precedents.

(23) Of the 16 Inspectors mentioned in the Director's letter only 8 have been confirmed from 7th July 1934 and the rest from 3rd May 1935. These may as a special case be given the benefit of earning their next increment 2 years after the date of confirmation, if otherwise they are eligible.

(29) I cannot agree with the view expressed at A. In my opinion the scope of the rules laid down in G.O. dt/ 23.7.34 is wider than the provisions of the M.S.R (FR 89 & 85) The following sentences taken from the G.O. marks I think the difference between the two: clear officers holding posts on a non-substantive basis (ie P.P, Temporary, S.P.T, acting etc) will be regarded as having been transferred

(30) If the G.O. was not intended to show any further concession than those admissible under the M.S.R, there was no need for the first & the two sentences reproduced above. As stated in para 25, it appears to me that the first 14 Vety Inspns are entitled to draw Rs 70/- fr 7.7.26 (at Secy) 22.8.26

The opinion of the Finance department in the note dated 21st August 1936 is correct. According to Article 87 M.S.R., when the pay of an appointment is changed, the incumbent thereof should be treated as if he were transferred to the new appointment on the new pay and the initial pay has to be fixed in accordance with Article 83 or 85 M.S.R. According to article 83 M.S.R., which applies to an officer who held a substantive post not in excess of the minimum or did not previously hold a substantive appointment, officers should be started only on the minimum (as 50 in the present case) and the previous service in the old appointment will not count for increments in the new scale. In regard to an officer who was drawing pay in the old appointment in excess of the minimum pay of the new appointment, the initial pay is fixed with reference to the substantive pay and the service in the previous appointment will not count for increments in the new appointment (vide article 85 M.S.R.)

The concessions allowed in the Government Order of 23rd July 1934 are (1) to fix the initial pay or salary in the new appointment with reference to the salary drawn on 6th March 1934 (instead of only substantive pay) and (2) to count for increment in the new appointment, service in the old appointment, which would have counted but for the revision. In the present cases, the concession allowed

in the G.O. of 23-7-1934 is to start them on as 60/- instead of on the minimum pay of as 50/- The acting service prior to confirmation would not count for increment under Article 83 M.S.R. even if the scale of pay had not been revised and the proposal to count such acting service for increments in the new scale is therefore not admissible.

GEN. 20 NOV. REV. DEPT.

SIR,

I have the honour to invite reference to Government Order No.Fl.1067-9/S&A.108-35-1 dated 1st August 1935, sanctioning the revision of the scale of pay of the Veterinary Inspectors and to state that the 16 Veterinary Inspectors who were confirmed in Government Order No.D.101-3/C.V.62-33-2 dated 7th July 1934 and No.D.7245-47/C.V.56-34-5 dated 3rd May 1935 in the scale of pay Rs.40-3-70 have now to be allocated in the present revised scale of Rs.50-5/2-90.

The original posts to which these Inspectors were appointed temporarily carried a pay of Rs.60-5-120-5-150. They were recommended for confirmation in this grade and the question of was under protracted correspondence with Government for a long time. In the meanwhile, the pay of the Veterinary Inspectors was revised with three grades, Rs.40-3-70/-, 70-5-100/- and 100-5-120, and the men were confirmed in the grade 40-3-70/-.

This again has been further revised into two grades Rs.90-5-125 and 50-5/2-90. In allocating the above 16 Inspectors in the new scale I submit that the interim revision sanctioned in Government Order of 25th September 1934 which was in force only for about 11 months may be overlooked, and the pay of the men in the present scale fixed on the principle enunciated in Government Order No.D.13000-C.V.55-29-5 dated 23rd May 1930, starting such of those who have put in one to four years of service on the present pay, with one increment, and those who have

P.t.o.

have drawn that pay for 4 years and more, with two increments.

I subjoin a statement indicating the pay that the men will be entitled to according to this principle:-
